

Keycloak 新增帳號密碼

WINDOWS

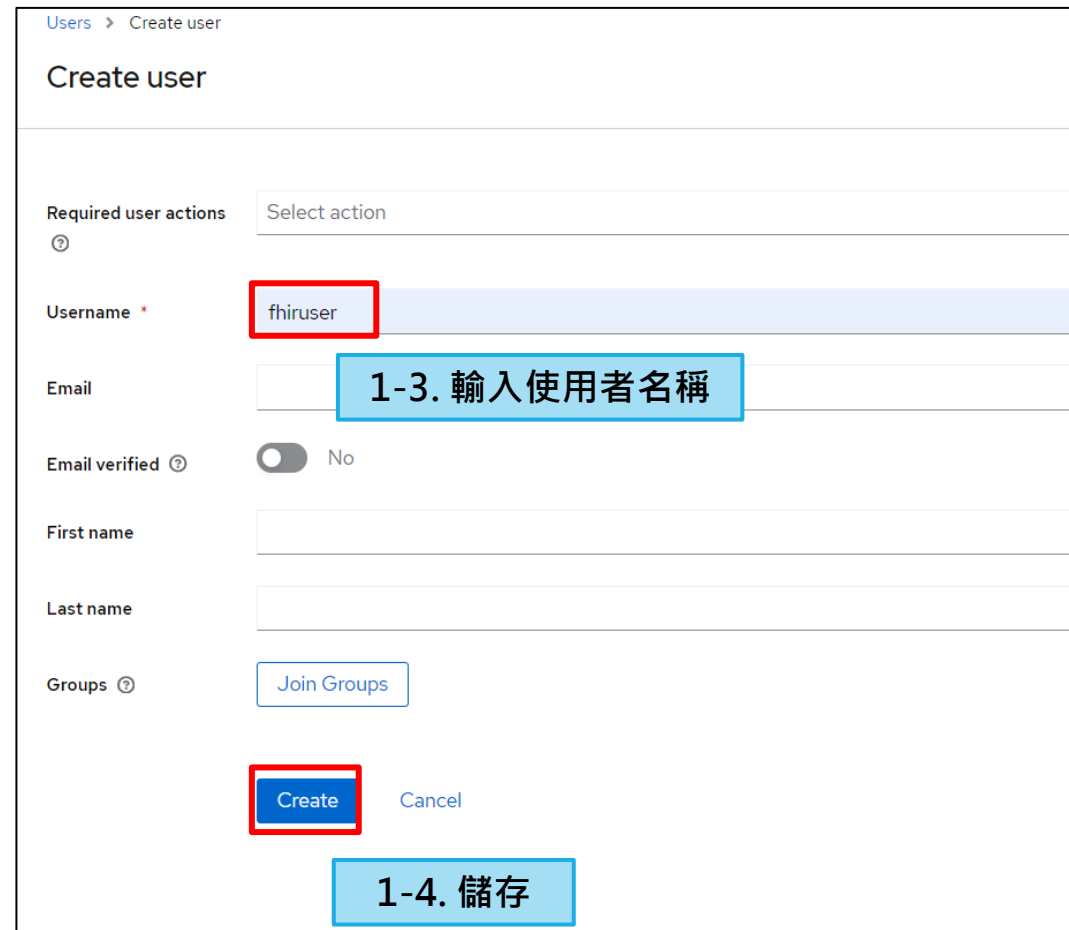

1. 新增使用者

The screenshot shows the Keycloak administration console. The left sidebar contains a menu with options: Manage, Clients, Client scopes, Realm roles, Users, Groups, Sessions, Events, Configure, Realm settings, Authentication, Identity providers, and User federation. The 'Users' option is highlighted with a red box and labeled '1-1. Users'. The main content area is titled 'Users' and includes a 'User list' tab. Below the tab is a search bar with a 'Default search' dropdown and a 'Search user' input field. To the right of the search bar is a red box labeled '1-2. 新增一個使用者' containing an 'Add user' button. Below the search bar is a table with columns: Username, Email, and Last name. The table contains three rows: 'river', 'user', and 'users'. Each row has a checkbox on the left and a red exclamation mark icon in the Email column.

1-1. Users

1-2. 新增一個使用者

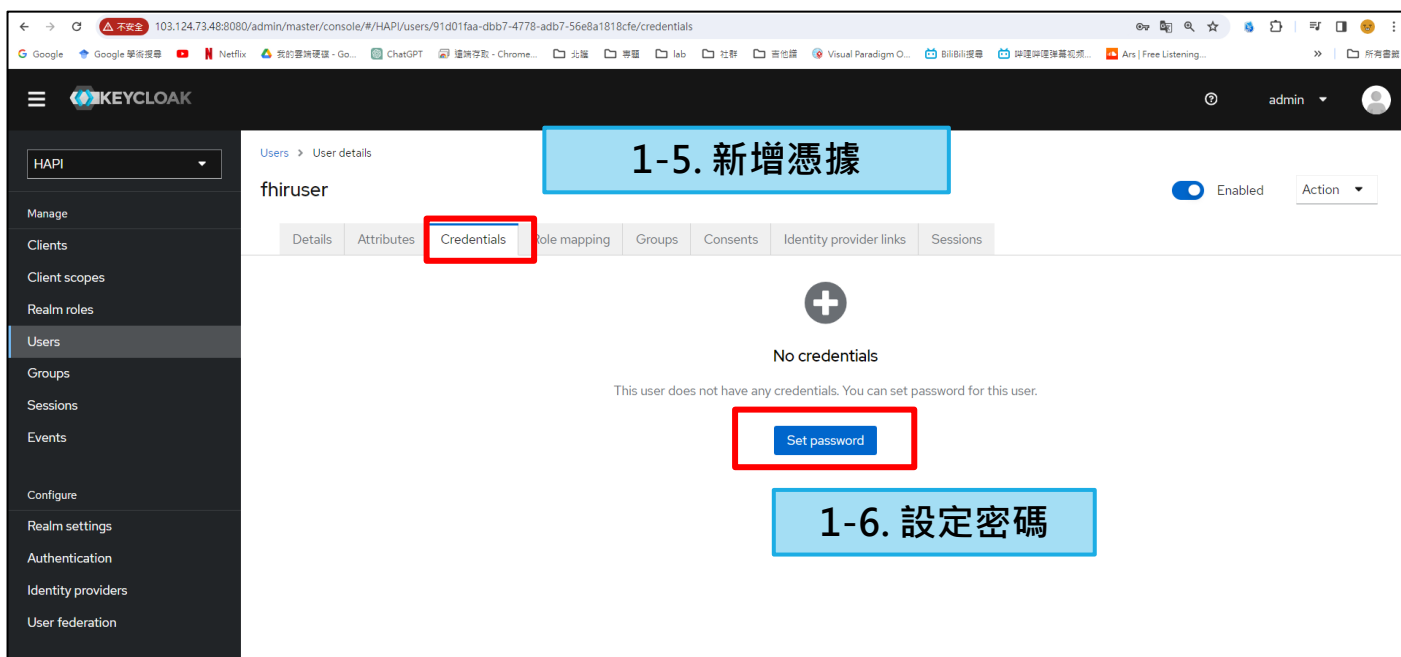

The screenshot shows the 'Create user' form in the Keycloak administration console. The form is titled 'Create user' and includes the following fields and buttons:

- Required user actions:** A dropdown menu with 'Select action'.
- Username:** A text input field containing 'fhiruser', highlighted with a red box and labeled '1-3. 輸入使用者名稱'.
- Email:** A text input field.
- Email verified:** A toggle switch set to 'No'.
- First name:** A text input field.
- Last name:** A text input field.
- Groups:** A section with a 'Join Groups' button.
- Create:** A blue button at the bottom, highlighted with a red box and labeled '1-4. 儲存'.
- Cancel:** A text link next to the 'Create' button.

1-3. 輸入使用者名稱

1-4. 儲存

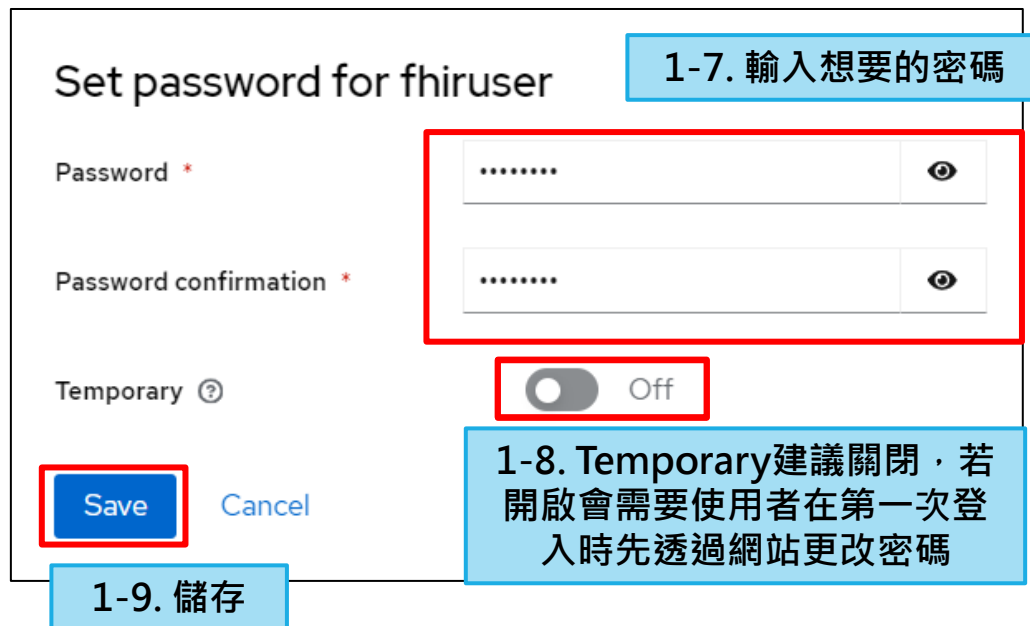

1. 新增使用者

1-5. 新增憑據

1-6. 設定密碼

The screenshot shows the Keycloak Admin Console interface. The left sidebar contains navigation links for Manage, Clients, Client scopes, Realm roles, Users, Groups, Sessions, Events, Configure, Realm settings, Authentication, Identity providers, and User federation. The main content area is titled 'Users > User details' and shows the details for a user named 'fhiruser'. The 'Credentials' tab is selected and highlighted with a red box. Below the tabs, there is a plus icon and the text 'No credentials. This user does not have any credentials. You can set password for this user.' A blue button labeled 'Set password' is highlighted with a red box.

Set password for fhiruser

1-7. 輸入想要的密碼

1-8. Temporary建議關閉，若開啟會需要使用者在第一次登入時先透過網站更改密碼

1-9. 儲存

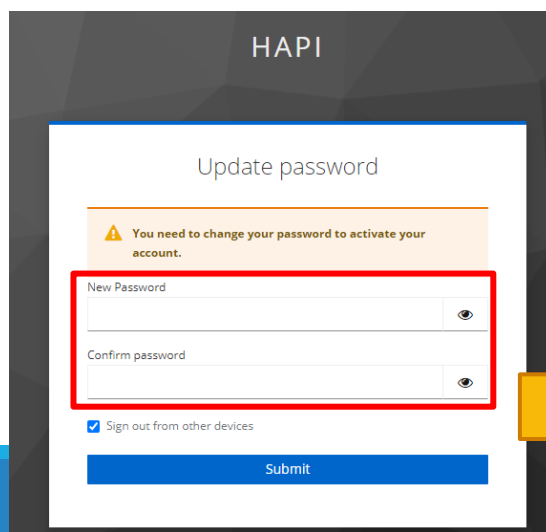

The screenshot shows a dialog box titled 'Set password for fhiruser'. It contains two password input fields labeled 'Password' and 'Password confirmation', both with red boxes around them. Below these fields is a 'Temporary' toggle switch, which is currently turned off and highlighted with a red box. At the bottom, there are 'Save' and 'Cancel' buttons, with 'Save' highlighted by a red box.

1-8-1. Temporary 開啟，會要求使用者先首次登入並更改密碼才能使用
<http://localhost:8080/realms/<Realm名稱>/account>

1-8-2. 先以1-7.的密碼登入

The screenshot shows the Keycloak user interface. The top navigation bar includes a search bar and links for 'Personal info', 'Account security', and 'Applications'. The 'Personal info' section is active, showing options to 'Manage your basic information' and 'Personal info'. A yellow box highlights the URL 'http://localhost:8080/realms/<Realm名稱>/account'.

Update password

You need to change your password to activate your account.

New Password

Confirm password

Submit

The screenshot shows the 'Update password' form. It includes a warning message 'You need to change your password to activate your account.' and two input fields for 'New Password' and 'Confirm password', both highlighted with red boxes. A 'Submit' button is at the bottom.

Set password?

Are you sure you want to set the password for the user fhiruser?

1-10. 儲存

1-8-3. 輸入新密碼後送出

The screenshot shows a confirmation dialog box titled 'Set password?'. It asks 'Are you sure you want to set the password for the user fhiruser?'. There are 'Save password' and 'Cancel' buttons, with 'Save password' highlighted by a red box.
